

OUTDOOR LEARNING

A STEP-BY-STEP GUIDE FOR STAFF

TOP TIP 1

Make it messy!

If you aren't able to be messy indoors, make the most of being able to do so outdoors.

TOP TIP 2

Make it big!

Taking the learning outdoors gives you much more room to explore and expand. Make the most of the space you have.

TOP TIP 3

Make it relevant!

Help pupils notice the links between what they are learning and how it links to everyday life.

TOP TIP 4

Make it simple!

You don't have to do lots of preparation or have lots of equipment: make do with what the outdoors offers you instead.

TOP TIP 5

Make it fun!

Learning does not have to be serious - it can be playful and light-hearted.
